Carnaby Army

The 1960's music scene in Britain didn't start with a bang, it was more a crescendo. The decade heralded the arrival of bands that are now household names: the Beatles, Rolling Stones, Kinks and the Animals raised energy levels from about 1964, followed closely by the Who, Spencer Davis Group and the Small Faces. They were the vanguard of the British Invasion, but the US had their own high energy acts too, with Jerry Lee Lewis and Chuck Berry turning up the heat, Wilson Pickett getting people on their feet, and the Doors raising a few storms in their short but bright career. Carnaby Army's stunning show brings the excitement of this amazing period back to audiences young and old.

The Epsom Playhouse - A fantastic little theatre in the heart of Epsom with an impressive hall of fame - was opened officially on 24th Jan 1984 by councilor Ronald Gee.

The Playhouse started out as a community centre of sorts but evolved with time to host professional shows as well as community hires. The first show was a grand concert celebrating the opening in Jan 1984 – although the theatre actually opened in 1983.

The Auditorium seats 450 as the seating capacity has been increased over the years and plays host to major leading theatrical companies and performers show casing Opera, Dance, Drama, Comedy, Light Entertainment, Variety, Popular Children's Shows and much more. We have a fantastic room called The Myers Studio within the Playhouse which is a warm and inviting space that seats up to 80 and is used as a regular venue for professional productions, our ever popular Studio Jazz evenings, children's shows and community events. Both the Auditorium and the Myers Studio are available for both corporate hire and private hire.

We have continued to grow and develop as a theatre and pride ourselves on our community ethos, we believe there is something here for everyone whether you're a theatre novice or seasoned regular.
