Young Researchers Forum

- Present your novel research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration with eminent experts
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors
- Opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multidisciplinary researchers
- The best oral presentation in YRF will be certified by the Organizing Committee

Best Poster Awards

Selection criteria:

- You will be given with 15 minutes for your presentation including questionnaire from student council committee members.
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- Apart from the judging time you may also be present at the poster to share your research with interested delegates
- All presented posters are eligible for nomination for this award.
- Based on the quality of the research, Clarity of the presentation, and inventiveness of the results presented the best poster awards will be selected.
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
