

Framework Knitting and the Luddites

A talk by Julian Ellis

The talk will cover the invention of the knitting frame in 1587, its development mechanically and commercially into a major industry, and the reasons behind the development of the Luddite disturbances.

The talk will be preceded by the Association's AGM commencing 7.20pm.

Wednesday 17th April at 7.30 pm

at The Crossing, Newcastle St, Worksop S80 2AT
