MODERN

NOW IN  
OUR 20TH  
YEAR

**Now in our 20th year!**

Shop from sustainable C20 and C21 in curated settings dotted around the ground floor of a huge glass brick and concrete sixties building with top contemporary designers upstairs in the mezzanine plus three rooms and corridors with more top midcentury and vintage dealers in the cloisters beyond.

**“Vintage dealers and top modern designers come out in force for this excellent fair, featuring classics of British, American and Scandinavian C20 design. It’s a very stylish showcase of high-quality, highly covetable furniture, lighting, art and homeware that you can buy direct from the 85 stands of vintage dealers and modern designers.” *Time Out***

**“Missed out last time? Never fear! Midcentury Modern® has returned to spread the interior décor joy it has in droves with a Dulwich College takeover. It’s less rough, more diamonds.” *Londonist***
