

where speed meets creativity

**Grafix Fast** was conceived back in 2022 - although at that time it was just a tiny acorn.

It all started when an organisation I was involved with was asked by a friend to attend their event. I created an official advert to promote our group and the event we were attending - as in business you should never miss an opportunity to promote your business or service!

The start of the following year I sat down with the owner of the event and started doing more graphics work for them on a regular basis.

By 2024 I was spending a lot of time doing this work and was asked by an organisation to present to their members how I could work with them to produce what they needed for their group. The name **Grafix Fast** hit the road for the first time at this meeting!

By the end of 2024 the business was grabbing customers from around the area who needed graphics creating, and printing, for their businesses - without the need to advertise.

Since the start of 2013 I operated a business in a totally different sector and during the course of 2025 things connected to this business were due to change - so over the festive period the decision was taken to close this business down and make **Grafix Fast** my full time job.

Many of the fundamentals that I have adopted in my previous business are carried through to **Grafix Fast** and we hope that customers see this in the way we interact & communicate.

We aim to be transparent from start to finish on everything from the time to complete your job to the final cost - we hope that nothing will ever 'be a surprise to you'

Thank you for showing an interest in **Grafix Fast** and if there is any way that you think we can help you then please do get in touch - there is never any obligation to take up the service!

Please **STAND** as the priest says:  
The Lord be with you.  
And also with you.  
A reading from the holy Gospel according to Luke.  
(Luke 24:13-35, 28-35)  
Glory to you, Lord.

At the end of the gospel,  
This is the Gospel of the Lord.  
Praise be to you, Lord Jesus Christ.

We **SIT** down in tribute to **Glenn**, her life and her times.  
By **response** to the priest.

After the homily, we **STAND** for the intercessions, during which  
this response is used.  
Lord, hear us.  
Lord, graciously hear us.

At the end of the intercessions, the priest concludes our prayers  
with a collect, to which all respond.  
**Amen.**

We **SIT** and we join in singing the hymn at the preparation of the  
altar.

The funeral of

**Glenn**

has for many years supported  
**St. Ann's Hospice** so if you would like
