Macbeth

by William Shakespeare

Ardingly College

14-16 August 2025

7.45 nightly and matinee 2.30pm Saturday

This August The Riverside Players, an established company who have been presenting theatrical classics for almost seventy-five years, are bringing their must-see production of **Macbeth** from the Cotswolds to Sussex. Redesigned to embrace the architecture of Ardingly College's beautiful South Quadrangle, this will be an exciting piece of site-specific theatre.

Macbeth is a roller-coaster ride and a fantastically gripping thriller set in a world of high passions, unscrupulous ambition, promises made and broken. Decency and evil compete before us. The stakes are always high and the ground is always shifting. Macbeth starts as a man with a conscience but is consumed by the chain of events he has started, unable to escape as they hurtle to their inevitable and bloody conclusion.

Add to this the famous Weird Sisters, a fight or two and the comical Porter, (plus a bar and the opportunity to bring your picnic) and you have an evening of great entertainment!
