History of Anaesthesia

v

A talk by Alan Kershaw

Alan retired from the NHS in 2017, having worked in Anaesthetics since 1985, and spent time with a variety of international charities in Africa. Anaesthesia is seen by the general public (and surgeons) as something of a "Dark Art" and this talk will bring us from those murky beginnings to our present understanding."

Wednesday 15th October at 7.30 pm

at The Crossing, Newcastle St, Worksop S80 2AT
