

# WHISTLING THROUGH CHANGING TIMES

Join Simon Topman MBE CEO of J. Hudson and Co. (Whistles) Ltd for a light-hearted and highly entertaining journey through 154 years of whistle making... the many ways in which the whistle has made history and touched on so many of life's stops and starts.

You will hear the amazing story of the invention of the world's first Police Whistle, the world's first Sports Whistle, the Acme Thunderer, and whistles you can't even hear but your dog can!

Bring along your old whistles for dating and valuing, you may be very surprised!
