

You are warmly invited to the

Executive Fly-Fishing Day

to help Children in Darfur, Sudan

taking place on

Saturday 10th October 2026

with kind permission of the Duke of Northumberland at

Park Lake, Albury, Surrey

This very special, secluded lake is solely for our use and provides the perfect autumn day out for friends, family or a memorable way to entertain your out of town clients. Both beginners and experienced fishermen are welcome for this glorious day.

Start with breakfast by the water, lunch and end with tea at dusk. Plus enjoy coffee, tea, wine, beer and home-made cakes throughout the day!

A fun day out fishing for you is a lifeline for children who have been deprived of protein for months. Every penny raised in profit will provide essential food packs, sacks of seed, soap, medicine, and goats for children and families in Darfur, Sudan who are in desperate need.

Tackle and tuition will be provided if needed.
Children 10 and over are welcome with a paying adult.

£150 full day / £85 half day
