### Description/Terms and Conditions

Switch on your television and you may well see an advert for Tempur's 60 day challenge, and this is something you can participate in at Premier Stores, Bolton. Premier Stores are allowing their customers to try out one of 3 mattresses from their Tempur collection for 60 days. The 3 choices of mattresses available are original, cloud and sensation and Premier Stores will deliver and set up the mattress in your home. You'll have the best night sleep you've ever had with these mattresses, as you lie blissfully on the amazing comfy fabric and marvel at the amount of support it brings. You'll be so relaxed after 60 nights of good quality sleep you won't want to change back to your original mattress. If you aren't happy, Premier Stores will try and solve any problems you have. But if they still can't make you happy, they'll take the mattress back and reimburse your purchase, minus any uplift charges, for example collection costs. Please mention the best of Bolton when you order. Terms and conditions apply, so do check for more details first.
