Description/Terms and Conditions

Inspiro Kitchens are expanding their services to include genuinely practical, accessible kitchen design for people with mobility needs.

They are seeking to collaborate with a wheelchair user to co-create a bespoke, accessible kitchen, starting with a home visit to understand real day-to-day requirements.

The kitchen would be supplied at a significantly reduced cost, with any use of the design or finished space for future examples only agreed if the individual is comfortable.

This voucher has no cash alternative and is not transferable. It cannot be used in conjunction with any other offer or promotion. Photocopies will not be accepted. Rights are reserved to refuse custom and withdraw this offer at any time.
