### **Description/Terms and Conditions**

Does your pool need a thorough check? DD Swimming Pools are currently offering a free balance water check and consultation for your pool. This includes research on your current equipment use, chlorine, PH, alkalinity, calcium hardness and a cyanuric acid test. Timescale of up to an hour for test completion. Further services available. Please contact David for more information and mention this voucher!

This voucher has no cash alternative and is not transferable. It cannot be used in conjunction with any other offer or promotion. Photocopies will not be accepted. Rights are reserved to refuse custom and withdraw this offer at any time.
