Description/Terms and Conditions

Brandlesholme Dentistry's Corporate Dental Plan is good news for the employer and a great perk for an employee. Their Corporate Dental Plans cut down on time taken off work for trips to the dentist as they have appointments available on evenings and Saturdays so your employees can get to us outside normal work hours. It reduces administration by your HR department as well as by the employee. Whereas dental insurance involves paying for the treatment, getting a receipt, filling in a claim form and sending it to the insurance company, their plan requires none of this.

Benefits for the employer
