### Description/Terms and Conditions

Are the machines at your business running at their optimum or are they holding you back and slowing you down?

If you are a local business then a Nerd will visit you FREE of charge and advise on the improvements that can be made to ensure that your machines are performing exactly as you need them to.

Software and hardware advise can be given as well as networking and virus solutions.

Call to book your friendly Nerd today.

FREE no obligation offer to help local businesses.
