Tel: 01543 450799

Description/Terms and Conditions

For over a thousand years Indian head massage has been a part of family tradition in India. Benefits include increased relaxation, and ease of tension in the upper back, neck and shoulders. It also aids to relieve sinusitis and migraines due to tension. This popular treatment is carried out in a seated position, oil is applied to the upper back, shoulders, chest and face (not the hair, however oil will travel into the hair line).
