Description/Terms and Conditions

Things may be harmonious right now, but what happens when one of your neighbours sells up, and your new neighbour is reluctant to pay?

If the legal requirements aren't followed correctly, it may be impossible to collect service charges, meaning either your investment in your property, or your bank balance will suffer.

We want to help you avoid this potential pitfall

For a limited period only, we will carry out a high level review of your processes and documents to help make sure your building is being managed in accordance with your lease and current legislation.

Call us today on 01323 458228 to arrange your free consultation.
