Description/Terms and Conditions

Do you know your business IT and cyber security isn't up to scratch?

Has your IT provider scrambled to get you up to date in light of a cyber security threat?

Does your IT Security never make it to the top of your to-do list?

Southern IT Networks are offering a 3 month trial of its Cyber Security service for your business to cover:

Anti-Virus Software | Anti-Malware Software | Software Security Updates for Windows and Mac | Internet Web Security Filtering

All fully managed, automated and monitored so you can get on with running your business with peace of mind.

Southern IT are fully accredited as a Certification Body for the Government Cyber Essentials, Cyber Essential Plus and IASME Security standards and are happy to advise you also on becoming accredited.

Don't let worry or malware hold your business ransom!

*This offer is only available to businesses and limited to the first 150 devices
