Description/Terms and Conditions

How would you like to have a cleaner and more efficient engine while also helping raise vital funding for St Wilfrid's Hospice?

In fact not only will your engine benefit from the clean but the environment will also!

The good news is EngineDetox.com are offering to donate 10% of the cost of your engine treatment to St Wilfrid's Hospice when you book in for one of 20 slots in February 2020.

About the service

EngineDetox.com was established to enable owners of petrol, diesel and hybrid vehicles to reduce their current carbon footprint. Our treatments have been very successful in the removal of sludge, varnish and other debris that builds up inside your engine, allowing your engine to run more efficiently reducing your emissions output and increasing performance.

Improving fuel economy by up to 26%

Increasing power (6 BHP) on average and torque (7ft/lb)

Lowering CO emissions by an average of 69%

Providing a smoother, quieter engine

Extends the life of your engine

Improving engine performance and driveability

Lowering smoke emissions by an average of 58%

Preventing premature engine wear

Treatments start from £149 + VAT and EngineDetox aims to raise £300 for St Wilfrid's Hospice while also helping motorists in Eastbourne reduce their carbon footprint!

All money raised will be donated to St Wilfrid's Hospice in March 2020. Book your Engine Detox today by calling 0333 666 1950

This voucher has no cash alternative and is not transferable. It cannot be used in conjunction with any other offer or promotion. Photocopies will not be accepted. Rights are reserved to refuse custom and withdraw this offer at any time.
