In a beautiful setting I offer restoring and energising Reiki healing to all. The sessions are private on a one to one basis to allow for total relaxation.

I work with universal life force energy to improve health and wellbeing.

This involves gently placing hands on or near the body in a number of non-intrusive positions to aid healing.

I believe in treating the person as a whole and reconnecting with the soul in order to improve any physical manifestations.

The sessions are 30 minutes for £25 or 1 hour for £30. First visit will include a consultation and treatment plan.
