Description/Terms and Conditions

Sign up for 12 months of Remote Hardware Monitoring & Updating with AP-it before the end of August 2022 to get 2 months free!

For complete peace of mind let AP-it keep your device up to date with Windows, Office, and third-party updates.

By having Remote Hardware Monitoring/Updating you will always be up to date keeping your device more secure and stable.

Even better, the health of your device is monitored to prevent future issues from occurring by alerting AP-it Support before any issues become downtime.

What happens at the end of the 12 months? You will be able to renew for a further 12 months of support at an agreed subscription rate from AP-it or you can discontinue and the service will stop and be removed from your device.

This voucher has no cash alternative and is not transferable. It cannot be used in conjunction with any other offer or promotion. Photocopies will not be accepted. Rights are reserved to refuse custom and withdraw this offer at any time.
