Description/Terms and Conditions

Each month, we set aside time to create up to five free demonstration features for Eastbourne businesses considering membership.

We're particularly interested in hearing from:

- ~ Trusted Trades
- ~ Business Professionals
- ~ Health & Wellbeing
- ~ Food & Drink

We'll create a demonstration feature showing how your business could be presented on thebestof Eastbourne, together with a useful article based around a question potential customers are already asking about your industry.

Once it's ready, we'll arrange a conversation to show you what we've created, explain how thebestof works and explore whether membership is right for you.

There's no obligation to join. We simply ask for a little of your expertise so we can create something genuinely useful for local people.
