Description/Terms and Conditions

Build & Thrive 2026 introduced us to a great selection of local trades, and we're now looking for more quality businesses to work with through 2027.

If you offer a service that is NOT currently listed in our [Trades Directory](#), you may be eligible for a funded Fast Start.

If your business has a great reputation, you're proactive and ready to play an active role in your own success, we'd like to help amplify what you're already brilliant at.

Subject to our usual application process, we'll cover the £150 + VAT cost of your Fast Start when you join thebestof Eastbourne.

Choose from our current marketing packages from just £40 + VAT a month, with your Fast Start getting your business feature live and your compatible review sources mapped.

As part of the process, businesses will be asked to invite their customers to leave a recommendation so we can hear directly from the people who have used their services.

Only one funded Fast Start is available per business category, on a first come, first served basis.

Once the funded place for a category has been taken, it's gone.

Interested? [WhatsApp me](#) or email [thebestof Eastbourne](#) with your business name and the service you provide.
