Description/Terms and Conditions

Are you organising a bonfire celebration, firework display or bonfire procession in East Sussex?

Add your event to thebestof Eastbourne Events Guide and help local people find reliable information about bonfire and firework events taking place across the area.

We're looking for organised public displays, bonfire society events, processions, community celebrations and other suitable seasonal events.

Adding your event helps us build a useful guide to what's happening throughout the bonfire season and gives organisers another opportunity to put their event in front of local people.

Suitable events may also be featured in our seasonal event coverage, newsletters and social media.

If you're organising a bonfire or firework event, send us the details.
