Description/Terms and Conditions

Two essential safety nets. One limited-time offer.

Most people mean to put Lasting Powers of Attorney in place... they just never quite get round to it. Until something happens.

For a limited time (must be booked before the end of January), I'm offering:

~ One person – both LPAs for £297*

~ A couple – all four LPAs for just £547*

* plus Court Registration fees.

(Quote Best of Eastbourne when booking)

That's almost half the typical local cost.

Why so affordable?

Because this is what I do.

I specialise solely in Lasting Powers of Attorney and Wills and have done so for over 25 years. One job, done properly, day in day out.

Why LPAs matter

If the unexpected happens – accident, stroke, dementia or sudden illness – your spouse or partner cannot automatically:

Manage your finances

Deal with banks (even joint accounts are often frozen)

Make health or care decisions on your behalf.

There are two types of LPA, and for most people, both are essential:

Property & Financial Affairs and Health & Welfare

Without them, families are often forced into costly, stressful Court applications.

No pressure, no obligation

I'm happy to offer a free initial chat to explain how it works and whether LPAs are right for you.

If money is tight, credit card payment is available.
