Description/Terms and Conditions

iPhone 5s
16GB Memory
1GB RAM
Dual Core processor

iPhone 5s by Apple is compact and yet powerful, featuring access to thousands of apps in the app store. From social media to blogging, from watching your weight to watching your finances the app store is packed with apps that are essential to your everyday needs.

16GB memory on board to save those precious memories and with Apple's iCloud you can back those memories up in case you ever lose your phone.

But with find my iPhone you can track your device via its GPS so no more panicking when your phone has slid down the back of the sofa.

Great news, graded handsets now in store, so if you thought Lets talk Mobiles just did repairs and phone accessories you're wrong.

Graded handsets save you money against RRP's and all ours come with a 12 month warranty.

We think you will be impressed by our competitive prices against other high street retailers and our award winning service.
