Description/Terms and Conditions

Bella Spa is now offering LVL lashes for £45. LVL stands for length-volume-lift. The idea is simple, a therapist uses a setting serum to straighten your natural lashes at the root (making them look curled up), then your lashes are tinted creating the appearance of mascara. This gives the appearance of longer looking lashes without the need for lash extensions or harsh perming techniques.

This completely natural low maintenance treatment only takes 45 minutes and can last up to 6 weeks. (Monday to Friday only).
