### **Description/Terms and Conditions**

From fabulous riding options, great, home-style cooked meals and cookouts, Rodeo's and plenty of other activities for non-riders; White Stallion is a great Ranch experience all-round. With a warm family welcome, the informal White Stallion Ranch sits on 3,000 acres of wide-open land at the foot of the ruggedly beautiful Tucson Mountains, adjacent to the Saguaro National Park and between Tucson and Phoenix. Choose to fly via a US gateway to Tucson and then you are just a 30 minute transfer to the Ranch. With just 41 rooms, the ranch has an intimate atmosphere where you quickly make friends with fellow travellers and is a firm favourite with singles, couples and families returning time and time again for an unforgettable stay.

White Stallion owns one of the largest private herds of horses in Arizona. The ranch has a 'Horse of the Month' competition, place your vote at the front desk during your stay. Rides vary from slow and scenic rides, in groups of 7-10, through the Saguaro cacti to brisk, fast cantering through the desert and surrounding mountain trails, in groups of 5-8. For experienced riders - all day rides are frequent to the nearby Box Canyon and you will see Native American petroglyphs, they cover 20-25 miles and can last up to 8 hours! Alternatively, there's also an adults wine and cheese ride!

So here's the deal!..... flights in Economy Class with Virgin Atlantic and Delta to Tucson, round-trip transfers, and 7 nights on Full Board basis at White Stallion Ranch staying in a Standard Double Cabin, departing on the 12th May 2019 with all of the above included from just £2595 per person (a saving of £650 per person). This offer has to be booked by October 30th 2018 and is subject to availability at this very popular Ranch.
