Description/Terms and Conditions

Improve your vehicle's performance and reduce your carbon foot print with our fantastic £50 OFF Stage 1 Remapping with WMS.

From £200 (normally from £250) for a limited time only.

Your engine will respond better when the accelerator is pressed, the overall torque and power will be noticeably increased, power delivery will be smoother making for a much safer driving experience, which in turn also makes it easier and safer to overtake.

During normal driving you will notice that your MPG is better which not only decreases the cost of fuel that you will have to pay, but it also minimizes your carbon foot print. Throttle response will be improved and the rev range will be enhanced.
