### Description/Terms and Conditions

What would you LOVE right now? I want some sunshine and no more rain! It just won't let up will it? To put that dark rain cloud at bay I wanted to send you something funny and of possible interest to you. It's something different, a bit of fun and you might just get that date, a smile, or laughter from your friend, valentine or work colleague. It can be a serious sincere message or it could be a prank message depending on your requirements. You write what you want and I'll add the voice. As it's only a couple of days away I thought I would do a special rate for these special messages of £16. OR maybe you need a voice for a last minute valentine's TV or radio commercial, promo or just need my voice for something completely normal. If you are interested then get in touch. If not then that's cool and just ignore the madness this time round. It must be Love! Thanks for reading and hope to work together soon!
