Description/Terms and Conditions

Do you want to grow your business, make more profit and reach all your business and personal goals?

We are offering members a complimentary 90-minute Business Health Check to identify strategies which benefits business owners with more time, better teams, more money and ultimately the freedom of choice. An initial call will take about 30 minutes. If we then both see the value in doing the full consultation (usually 90 minutes), we'll set that up and put a date in the diary. Offer ends 30th September.

This voucher has no cash alternative and is not transferable. It cannot be used in conjunction with any other offer or promotion. Photocopies will not be accepted. Rights are reserved to refuse custom and withdraw this offer at any time.
