Description/Terms and Conditions

Come to Pebble this Thursday 19th November for a Winter Pedicure, which is worth £48, but you'll be able to get one for half price! You'll experience 75 minutes of pampering, which includes a deep foot and leg massage, soak, exfoliation, callus softening, a nail file, shape, cuticle care and a Shellac finish. Shellac dries instantly so there's no need for flip flops and no drying time required, meaning your winter boots can go back on straight away without the fear of smudging your toes. This Thursday only, you'll receive all of the above for an incredible £24
