With free Madeira starter pack worth £300

This new embroidery machine has been released to celebrate Brother's 110th birthday

The Innov-is V3LE limited edition long-arm embroidery machine comes with a larger embroidery area (200x300mm) advanced features and superior quality designs

Large embroidery area Embroider up to 300 x 200 mm. Two embroidery hoops (300 x 200 mm and 200 x 200 mm) are included.

Embroidery foot with LED pointer The LED pointer integrated in the standard embroidery foot shows exact needle drop point.

Working area of 28.5 x 12.7 cm The large working area (28.5 cm to the right of the needle) makes stitching large projects easy.

Large LCD touchscreen The bright, high-res 7" 260,000-colour LCD touchscreen makes it easy to visualise what your project will look like when selecting designs, or editing and adjusting patterns. You can also quickly and easily rotate, enlarge, reduce and add lettering to designs.
