Brother VR1 Embroidery Machine

Now £3,799.00

Do you dream about running your own embroidery empire? Look no further than the revolutionary Brother PR1. Whether you want to launch a range of custom bags or hit the road with colourful festival-wear, this innovative single-needle machine is the perfect match for you.

Designed with small business in mind, the PR1 has been built with an expansive 300 x 200mm embroidery area, fast stitching speeds of 1,000 stitches per minute and handy colour sorting function.

Crosshair laser and two point positioning ensures perfect alignment every time, while the lower tension mechanism guarantees consistent thread tension for flawless results.

With 495 built-in embroidery patterns, including graffiti style, and 33 stunning fonts, such as 3D puff, it's never been easier to express your own creative vision. Take this even further with on-screen pattern editing capabilities. With the PR1's free arm, embroider sleeves, cuffs, and other hard-to-reach areas effortlessly.

Compatible with an extensive embroidery frame and accessories range, with the PR1 you can take your new business in any direction you wish.
