Description/Terms and Conditions

£229.00 Original price Current price is: £199.00.

This is an excellent starter machine that is also perfect for those that sew occasionally.

It is a really easy to use two dial model, one for stitch selection and the other for adjusting stitch length. The automatic 4-step buttonhole creates great buttonholes whilst the automatic needle threader takes the strain out of threading the needle.

There's plenty of accessory storage and a soft cover for protection.
