Description/Terms and Conditions

You may be new to sewing, or maybe you are looking for a sewing machine that's easy to use, if so, the Innov-is 15 is the perfect choice.

The jog dial makes it very simple to select stitches you require quickly, and needle threading is complete in no time thanks to the built-in needle threader. With the LCD screen you can see at a glance information about the stitch width and length.

Simplicity does not mean a compromise on features, there are 16 stitches to choose from, including 3 different buttonholes, to give that professional looking finish.

16 Built in stitches, one step auto size buttonholes, jog dial stitch selection, LED sewing light, drop feed, Presser foot levelling button, slide speed control, needle stop position.
