Description/Terms and Conditions
Chunky Rhododendron £24.99 Each 🌸🌸

🌸🌸 October is a great time to get your Rhododendrons in, and you don't have to pay a fortune for a decent-sized one.

Take a look at these for just £24.99 each! Poor Martin could hardly carry them 🌸🌸🌸🌸

We have a number of varieties available including Vulcan's Flame 🌸🌸, the gorgeous pink and apricot Virginia Richards and Cunningham's White. 🌸🌸

These beauties are evergreen and love a sheltered spot in dappled shade, where they will flower their hearts out from Spring to early Summer.
They need an Ericaceous compost, and they will happily live in a pot where you can control their preferred growing needs.

All at Richard's Plants 🌸🌸
