## Description/Terms and Conditions

A sleek and stylish electronic mill made from brushed stainless steel that can be used for salt or pepper with a micro USB charging cable.

No need for replacement batteries!

The mill is easy to use with the press of the button situated on the top. Keep the button pressed until you have your desired amount of seasoning.

The grinding mechanism is made from diamond-sharp ceramic not only making it ideal for use with salt or pepper but also ensuring you always receive a consistently outstanding performance with each and every use.
