Description/Terms and Conditions

Make the most of your workspace with ORS UK's free space planning and design service. Whether you're setting up a new office or reworking your existing layout, their expert team will help you design a space that's practical, stylish, and tailored to your needs.

What's included:

Professional consultation to understand your requirements

Detailed measurements and office layout planning

2D and 3D design visuals to bring your ideas to life

Expert advice on furniture, storage, and workflow solutions

This complimentary service ensures your office not only looks great but also works efficiently for your team.
