Description/Terms and Conditions

Develop practical mental health awareness while working towards a nationally regulated qualification with JPF First Aid. The FAA Level 2 Award in First Aid for Mental Health is currently £69.99 per person, saving £25 on the usual price of £94.99. Learners receive digital resources and ongoing tutor support, with the flexibility to study in their own time and complete the qualification within three weeks. The course helps participants understand mental health difficulties, recognise possible warning signs and feel more confident offering initial support. There are just 10 places available, and the offer closes on 23 October 2026, or earlier if every place is taken. Book or enquire at www.jpffirstaid.co.uk.
