Description/Terms and Conditions

After working with a local school and saving them money whilst increasing productivity, Shropshire ITC is offering all schools in the county an exclusive offer of a free of charge systems review.

All Shropshire-based schools are eligible and just need to contact SITC on:

0845 617 1440

or vince.dovey@sitc-group.com

to receive a site visit from their engineers.

Each site visit will include a full review of your existing systems and set up, your monthly commitments and SITC will discuss any blockages or issues you may be experiencing.

They will also take into account the plans you have for the future so that they can ensure that any recommendations made are long term solutions.

This is a no strings, free of charge offer that is open to all Shropshire-based schools and can be booked at any time between now and the end of 2016.

This voucher has no cash alternative and is not transferable. It cannot be used in conjunction with any other offer or promotion. Photocopies will not be accepted. Rights are reserved to refuse custom and withdraw this offer at any time.
