Description/Terms and Conditions

The January Product of The Month at the Imagine Spa is a Babor facial peel.

Say goodbye to dry winter skin

Indulge your skin this month with Babor's mild facial peel with the BABOR-exclusive, detoxifying extract of Agrimonia eupatoria.

Suitable for all skin types, it gently removes superficial hard skin and dead superficial skin cells, leaving the skin smooth and supple, improving the skin's ability to absorb subsequent skin care preparations.

Your skin is left looking fresh and even with a rosy glow - and is an ideal preparation for the skin before using self-tanning products.

Just £13 this January, saving £5!
