## Description/Terms and Conditions

Suzi Rixon believes that everyone can build their business base by being aware of the power of communication.

There are so many ways of selling products - whatever they may be but the most effective method, as we speak, is face to face to face.

To accomplish this, we all need to feel secure in our own grasp of English.

No matter how skilled you are in your own specific field, nothing can beat the confidence that exudes from self belief.

Suzi is offering confidence building skills at a special rate.... £15 per session instead of £20.

This voucher has no cash alternative and is not transferable. It cannot be used in conjunction with any other offer or promotion. Photocopies will not be accepted. Rights are reserved to refuse custom and withdraw this offer at any time.
