Description/Terms and Conditions

Get yourself a Stunning New Four page bespoke website for only £499.

Get a purpose professional website created with the personal touch.

This price includes hosting for one year and installation of search optimisation software.

Also included:

- * Consultation and advice on your business requirements, usability, fitness for purpose and more
- * Customer response form(s)
- * 1-click phone-calling from mobiles
- * Social media integration
- * Full content management system, with training on how to use it
- * Upload of initial content
- * Hands-on training in using the CMS
- * Visually amazing sliders and parallax effects
- * Changes and snagging

And we implement this in one "massive action day" for £499 - normally £699.

We can do this because we make sure we understand your business needs first, choose the right technology for you, and implement fast.

Why choose ArdenApps?

Because we start by listening, we'll help you figure out what you need, and because we care.

Much bigger website, mobile app and programming projects are also undertaken by ArdenApps for fixed price quotes.
