Description/Terms and Conditions

Hello lockdown captives!

If, like me, you've put on lockdown pounds you now want to get rid of, I have a few combined Nutricode Inner Balance and Slim Body System 2 month's supply packs to help kickstart your healthier body campaign!

Many of us have over-indulged on food and drink which is making our bodies more acidic and our immune systems less able to fight off bugs and infections. If you're feeling more sluggish, then perhaps it's time to fight back.

Starting with Inner Balance, to reduce the acidity in our bodies and act as a 'primer' for stage 2 weight management. Inner Balance contains crucial microelements to help our bodies regain the acid balance we're designed to function at. The Slim Body System contains glucomannan to help make us feel full without eating to excess and chromium, which helps to maintain normal blood glucose levels and our metabolism.

Nutricode Inner Balance and Slim Body System with a RRP of £129

Offer price - £110 including delivery.
