Description/Terms and Conditions

Ideal as an annual or interim service where the vehicle is outside of warranty, and strict observance of the manufacturer's warranty is less critical. It can also be used as an incremental interim service, between those extended manufacturer services that can be as far apart as 2 years, and where you would feel more comfortable with a proper once a year service and oil and filter change. As part of a bronze service there is a thorough inspection of the vehicle, the engine oil and filter are changed, the diagnostic computer is connected to read any memorised faults and any recommendations or additional work required is noted. Your service book is stamped and a copy of the checklist passed to you with any recommendations. A Bronze Service can be carried out "Whilst You Wait" and takes just over an hour.

This voucher has no cash alternative and is not transferable. It cannot be used in conjunction with any other offer or promotion. Photocopies will not be accepted. Rights are reserved to refuse custom and withdraw this offer at any time.
