Description/Terms and Conditions

Enjoy a complimentary 20% off throughout July!

Microneedling is a procedure that punctures the skin with tiny, sterile needles repeatedly. The thin needles create acute punctures on the top layer of the skin, which creates new collagen and elastin. The procedure will improve skin texture and reduced scars, stretch marks and pore sizes. Indulge in a great 20% off all of the Microneedling treatments at Astara!

Prices start from £200-£310.

For expert advice on skin procedures and to book an appointment call in to the clinic based at Calderfields Golf Club Ltd, Aldridge Road, Walsall, WS4 2JS or call them on 07715 340499.
