Description/Terms and Conditions

Autobase have identified that Customers with vehicles over 5 years take their vehicles to aftermarket garages for Services, MOT's and other repairs. This is purely down to cost.

Autobase have introduced our new Service package with this in mind for cars and Vans over 5 years. They want to provide *Main dealer* quality *without* the price tag.

All vehicles will get a FREE video health check and their main dealer guarantee.

As they have recruited more technicians, this ensures the expertise to maintain all makes and model.

Why take your vehicle anywhere else rather than a reputed main dealer in Walsall.
