Description/Terms and Conditions

Every business owner has that one task sitting in the background.
Important, but never quite urgent enough to get done.
ConnXess offers Get It Sorted, a focused 10 day sprint built for busy business owners who need to tackle one priority area and move on. Whether it's getting your CRM properly organised, clearing a backlog of admin, or finally putting your email marketing in place, this is about taking control without committing to a long-term contract.
If something has been slowing you down for a while, this is your chance to get it handled and get back to running your business with a clear head.
