### Description/Terms and Conditions

A Pilates reformer might look like a tool for torture but an hour spent using the equipment is the fastest route to a great body, as working with springs increases the resistance of mat work alone and changes your body twice as fast.

For September only, Pilottie Pilates are offering 10 sessions for £99. Open to anyone and with only three in a class you get all the attention of a very small group.

This voucher has no cash alternative and is not transferable. It cannot be used in conjunction with any other offer or promotion. Photocopies will not be accepted. Rights are reserved to refuse custom and withdraw this offer at any time.
