Ensure that an 'electrical MOT' plays an essential role in the operation of your business or property. JHP Electrical Services can manage a one off Electrical Installation Condition Report (EICR) or a contract to cover all your electrical needs with your properties including PAT testing. Not sure whether you need these or not? Call us today on 0208 950 4643 and we'll advise you. If you do, you can take advantage of our 10% Discount Offer.
